

Dear Friends & Neighbors,

The pools at the Demarest Swim Club await you today!

I would like to thank the Demarest Swim Club for its Open-House today, 7/2 from 10am - 8pm helping residents beat the heat for \$15 per person aged 3+!

Demarest Seniors

The Demarest Golden Seniors Committee is asking Demarest seniors, family members and caregivers to **complete a short survey** so we can better understand the needs, interests and priorities of residents age 65 and older. The Committee **NEEDS** your input! Thank you.

Seniors are also encouraged to attend the Demarest Summer Concert Series on Wednesday, July 22, which will include a senior-focused evening and information from The Art School about senior programming, including its Wings and Wood woodworking class for seniors.

Demarest Day

Did you know that **Demarest Day is funded completely dependent on donations?** While we thank all of our local businesses and Borough professionals that participate, residents can help too! In honor of America's 250th we are trying to make this year bigger and better than ever and we need your help! Please click [here](#) for all the information and help out if you can! **No donation is too big or too small!**

The Art School at Old Church

It was my pleasure last Sunday to attend the **dedication of a studio at the Art School in memory of Robert "Bob" Glaisek**, a remarkable artist, teacher, mentor, and friend to so many members of our community.

For more than thirty years, Bob taught at The Art School at Old Church. During that time, he guided countless students, from beginners finding the courage to pick up a brush for the first time to experienced artists seeking to refine their craft.

There is perhaps no more a fitting tribute than dedicating an art studio in his name. The dedicated studio is a place where creativity will continue to flourish, where new artists will learn and grow, and where Bob's spirit of teaching and artistic exploration will remain present for years to come.
